

# NORA

Neuro-Optometric Rehabilitation Association

## DID YOU KNOW?

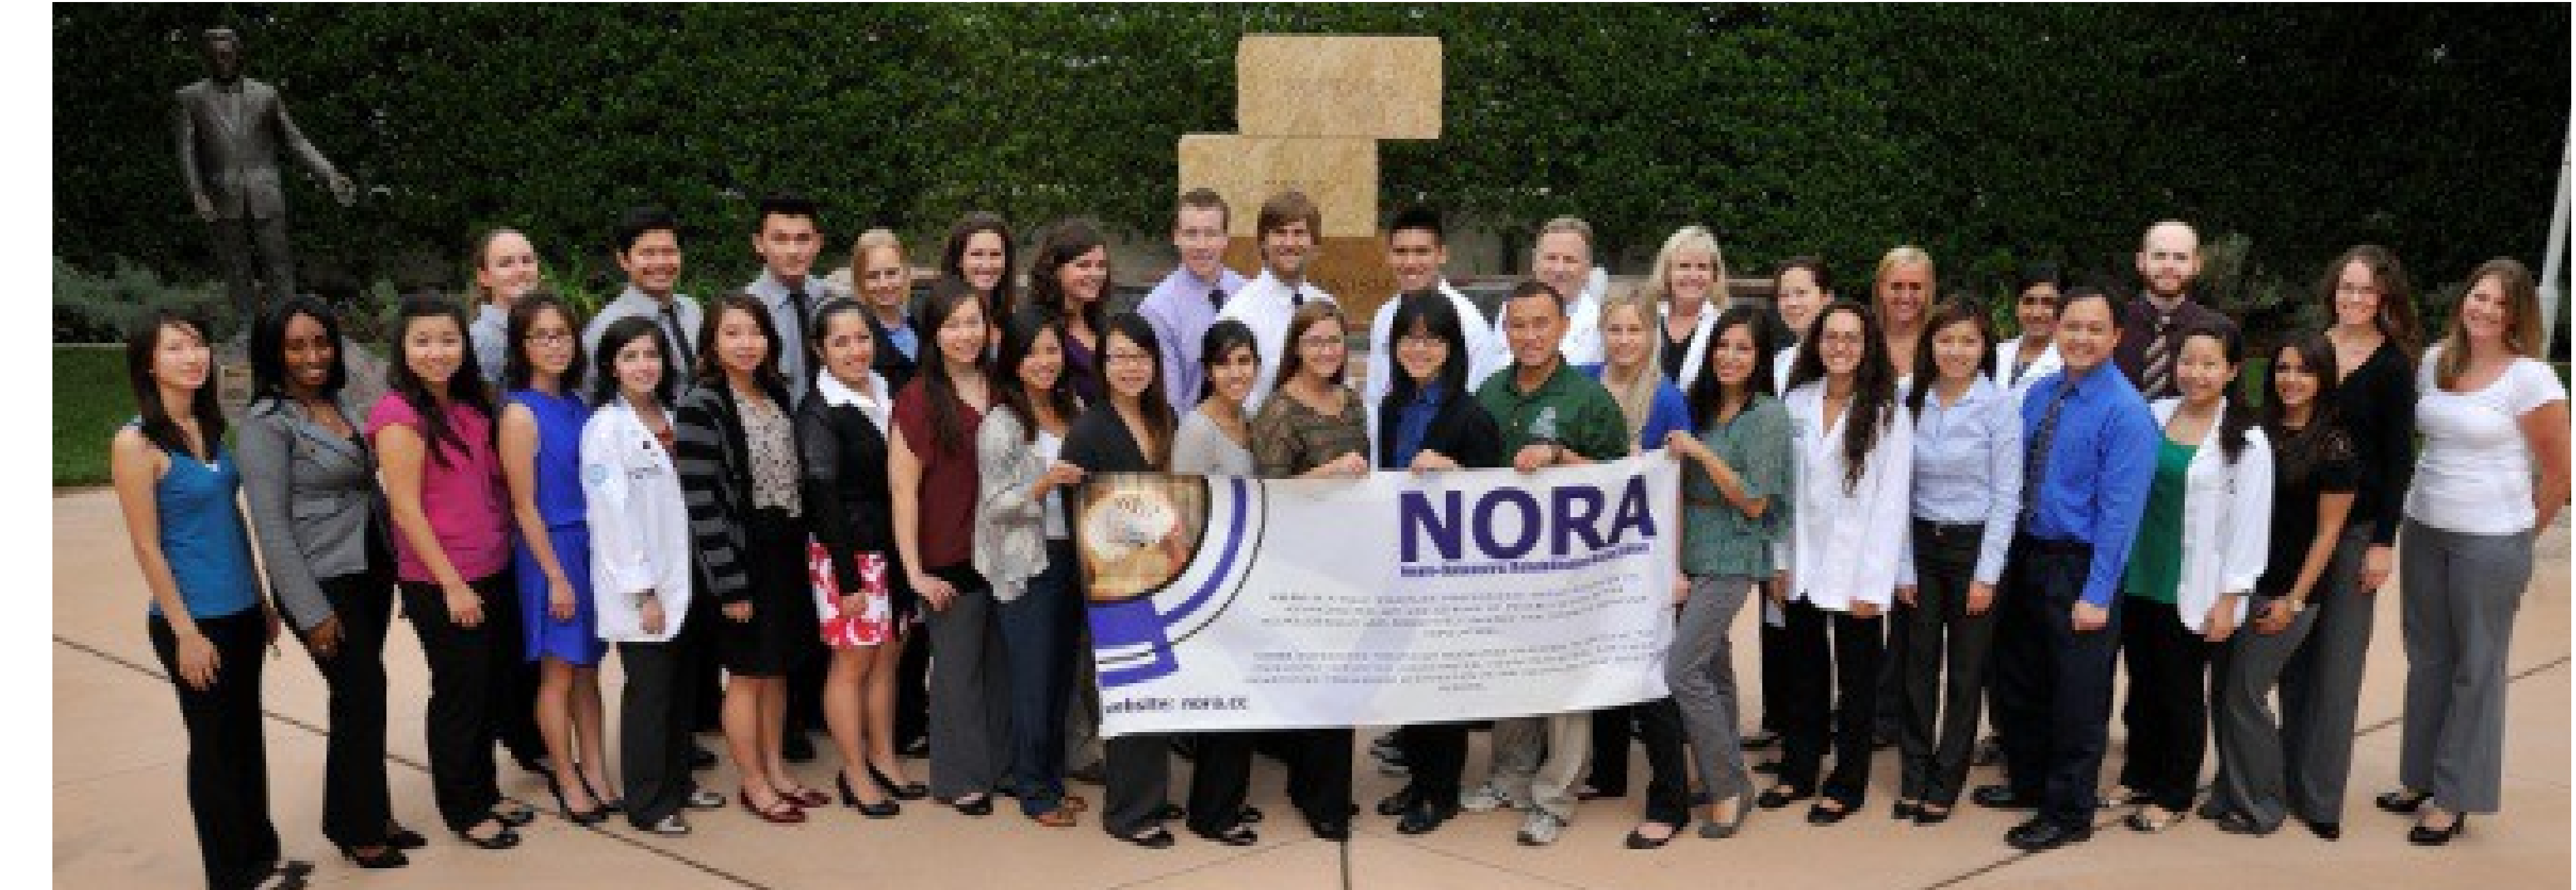

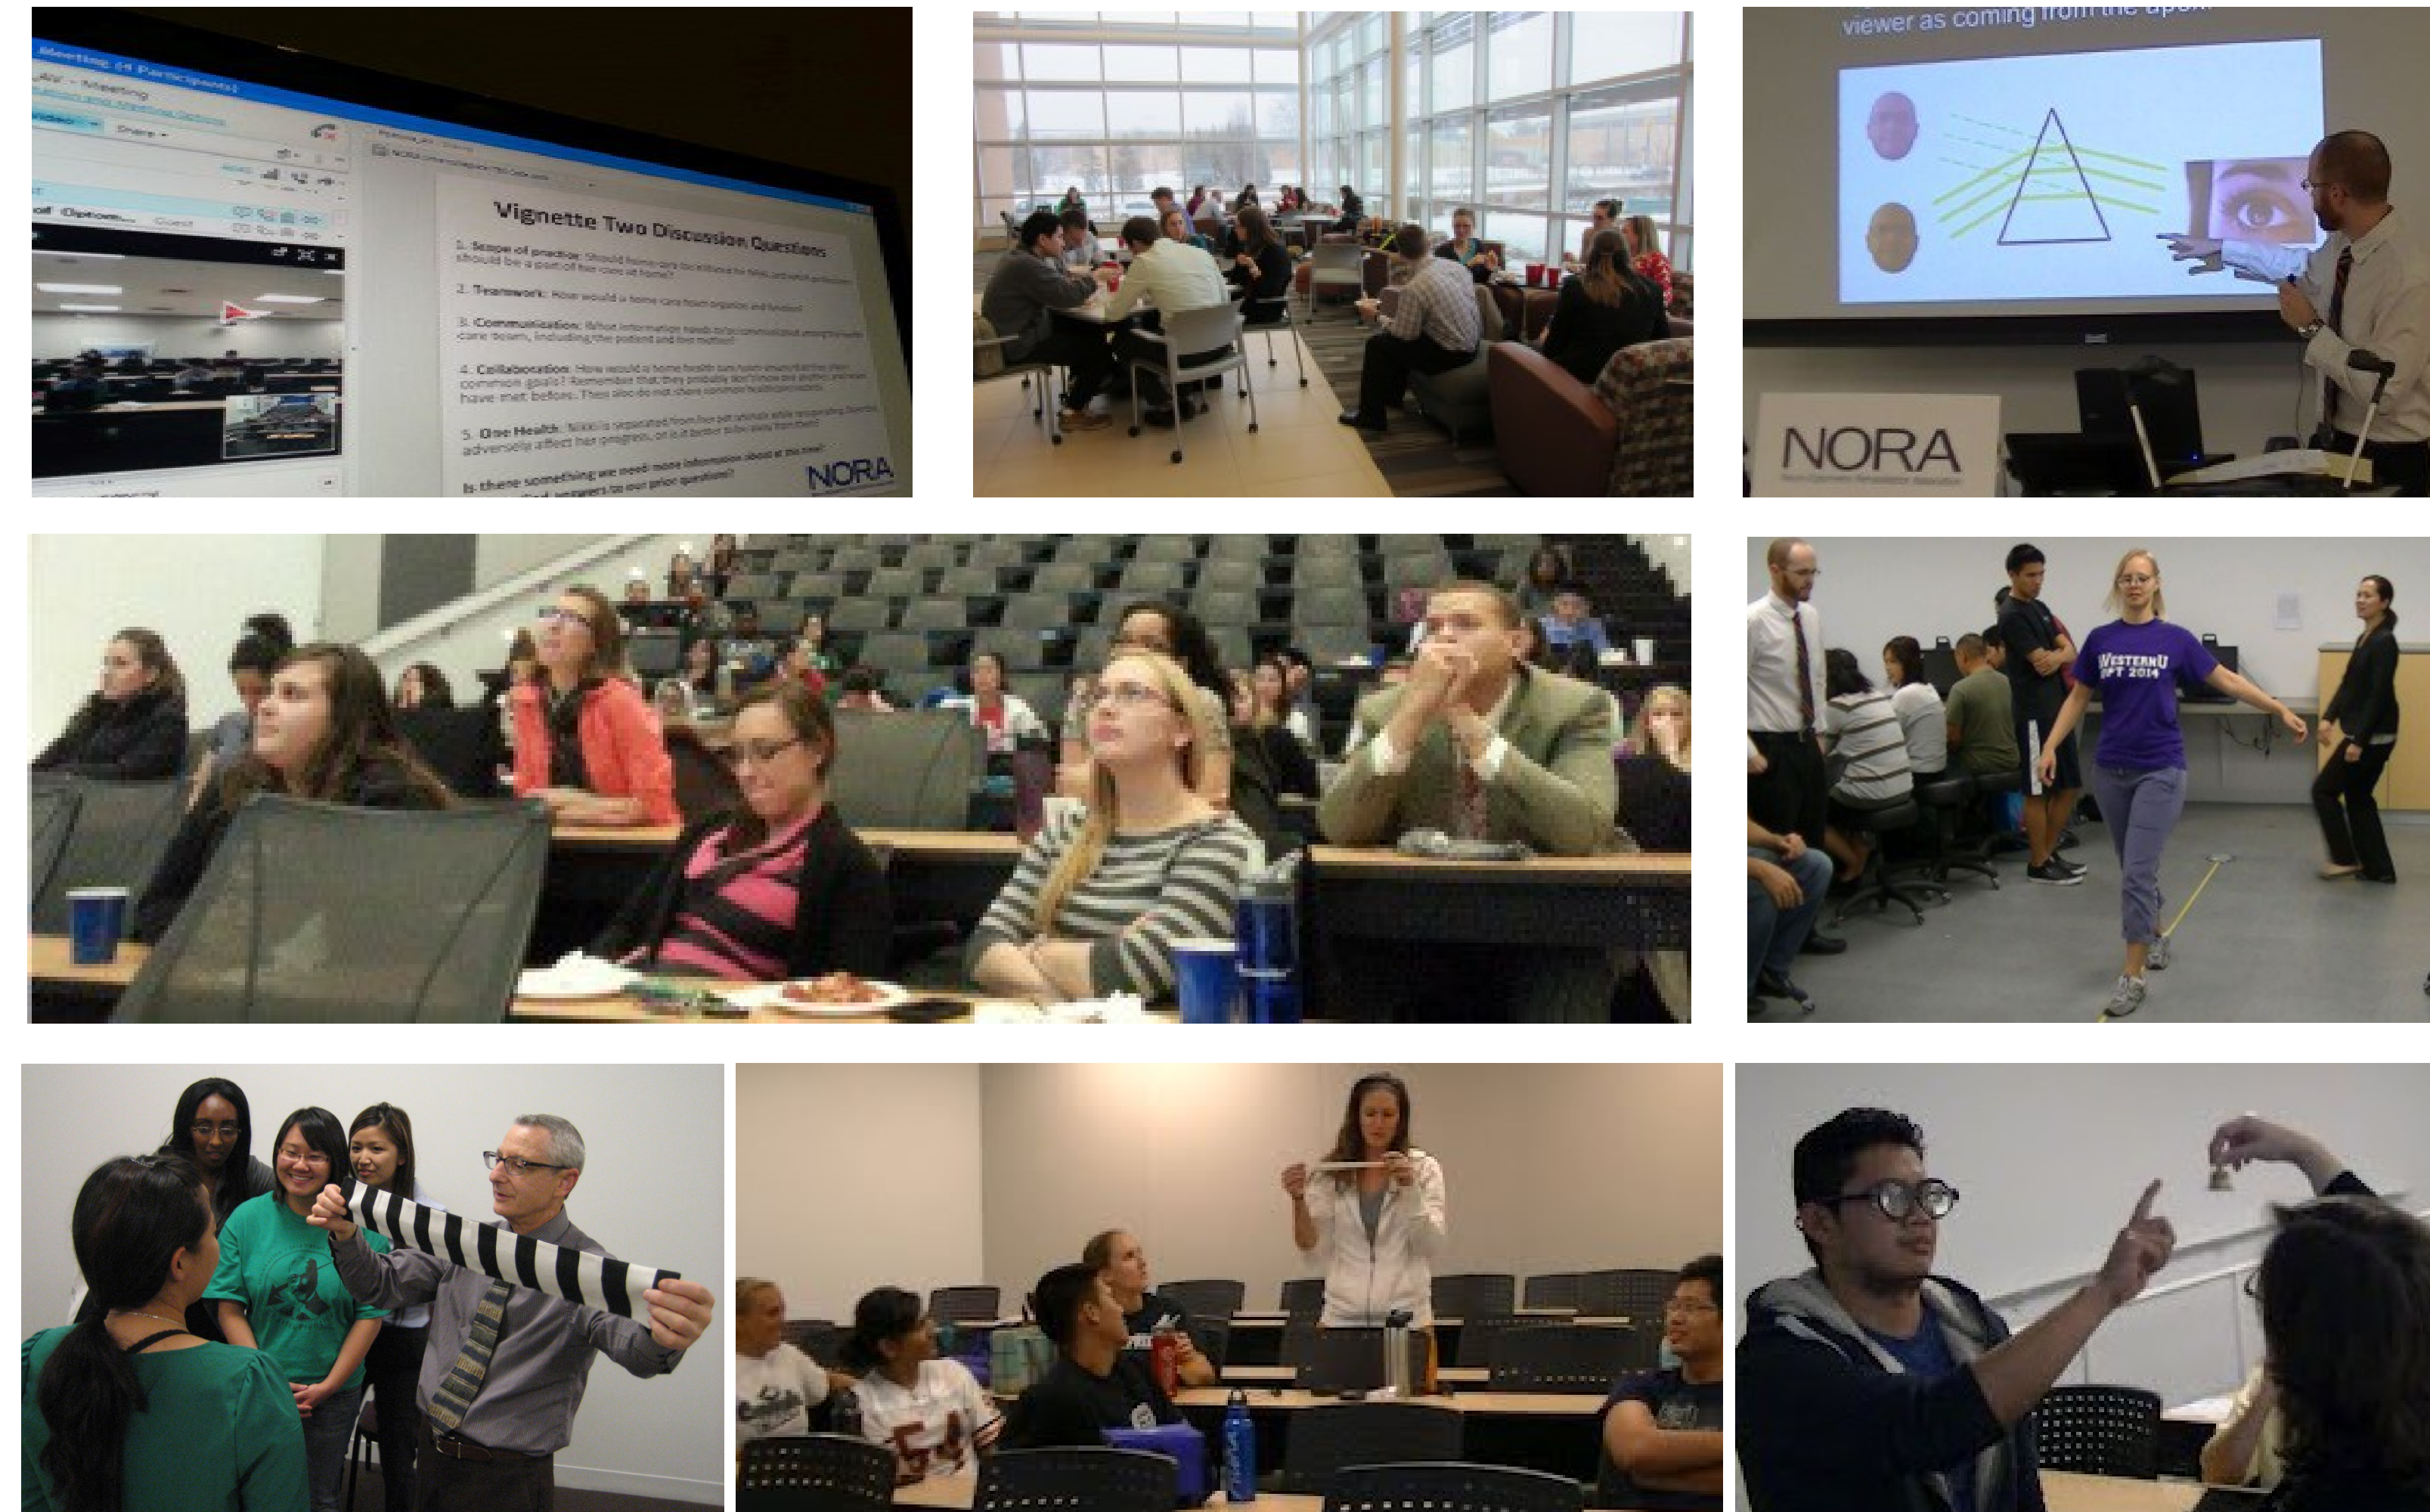

Student NORA Chapters are being established across the nation!  
We have **over 364 student members**  
(including international and non-optometry students) and counting!

## WHAT ARE STUDENTS DOING?

Over the past year students from different colleges have been working hard to increase awareness of Neuro Rehabilitation.

### Here are some of the things students have done:

- Established NORA Clubs on their campus
- Guest speakers sharing their experience in Neuro Rehabilitation Live!
- Online intercollegiate TBI case discussion
- Considerations in communicating with patients
- Gait analysis workshop
- Exploring prisms – The Prism Experience!
- Office visits with professionals providing Neuro Rehabilitation

Students are in need of professionals (YOU) to share your knowledge and experience in Neuro-Rehabilitation. We are looking for a variety of professionals, not just optometrists. If you are interested in working or speaking with students please complete the web form link listed above to indicate your interest. If you know of any allied health professional school such as physical therapy or occupational therapy which may be interested in a student chapter of NORA please also fill out the form link listed above. We look forward to hearing from you and thank you for your support!
