

OCTOBER IS Home Eye Safety Month

Here are some tips for protecting your eyes around the house:

- 1) Wear eye protection! This includes safety goggles, which will keep your eyes safe from dust, airborne debris and splashes.
- 2) Always wash your hands after finishing a project before touching your eyes/face.
- 3) Keep all dangerous tools (including cleaners) out of reach of children.
- 4) If you experience an eye injury, contact our office IMMEDIATELY at (215) 335-9090

Modern Optometry is proud to support **Breast Cancer Awareness Month!** We are offering a limited edition package from **Guess Eyewear** to honor this special month. Eyeglasses and sunglasses are available individually or as a set. There is a limited supply available and demand will be high, so stop in or call us before they're all gone!!
