

UPDATED PATIENT PROCEDURES

- 1) Upon arrival for your appointment please remain in your car and call our office to check in 609 654- 2800
- 2) Temperatures will be taken on all patients upon arrival at their apt, anyone with a temperature over 100 degrees will be asked to reschedule at least 2 weeks later
- 3) All patients must wear a mask upon entering. The use of the mask will be maintained for the entirety of the visit. A disposable mask will be provided if yours was forgotten.
- 4) We ask that any persons accompanying the patient stay in the car unless they also have appointment. One adult may accompany a minor.
- 5) Hand sanitizer is available upon office entry. PLEASE HAND SANITIZE UPON ARRIVAL.
- 6) Patients are allowed to try on frames and these frames are thoroughly disinfected after handling. PLEASE, AFTER HANDLING KEEP FRAMES ON A SINGLE DISPENSING TABLE AND DO NOT RETURN TO DISPLAYS.
- 7) Also, note that staff including Dr. Frank will have temperature taken upon arrival daily. ANYONE WITH TEMPERATURE OVER 100 WILL BE SENT HOME.
- 8) Staff will be wearing masks at all times. Dr. Frank will also be using surgical gloves and faceshields for appropriate procedures.
- 9) Work spaces as well as common spaces will be thoroughly sanitized between patients and instrumentation sterilized.
- 10) Our office will be calling to confirm your appointment and review these procedures. THANK YOU for your understanding in these unusual times and most of all I thank you for 40 years of loyal patient support. These last weeks made me realize how empty I can be without our office.
