optical techniques*

Our Mission

Eastside Eye Physicians is dedicated to providing comprehensive family eye care of the highest quality in the most cost effective manner available.

Welcome to Our Practice

Our board certified ophthalmologists have been serving the Detroit metropolitan area for over 50 years maintaining strong physician-patient relationships built upon concern and trust. We take great care in listening to the needs of our patients to recommend the best possible ophthalmic treatment and care plans for them.

Society Memberships

- American Medical Association
- American Academy of Ophthalmology
- American Society of Cataract & Refractive Surgery
- Michigan Society of Eye Physicians & Surgeons
- Michigan State Medical Society
- Wayne County Medical Society
- Macomb County Medical Society

Meet the Doctors

Anne M. Nachazel, M.D.

obtained her doctor of medicine degree from the Medical College of Wisconsin and completed her training in ophthalmology at the William Beaumont Eye Institute. She is past President of the Michigan Ophthalmological Society. She is a current Assistant Clinical Professor at William Beaumont Hospital, Royal Oak.

Neal M. Krasnick, M.D.

obtained his doctor of medicine degree from Wayne State University and completed his ophthalmology training at the Sinai Hospital of Detroit ophthalmology program. He has lectured on the use of multifocal intraocular lenses and age related macular degeneration. He is a current Assistant Clinical Professor at Kresge Eye Institute at the Detroit Medical Center.

Michael J. Clune, M.D.

obtained his doctor of medicine degree from Georgetown University and completed his ophthalmology training at the Kresge Eye Institute. He has published work in the management of diabetic retinopathy, glaucoma surgery and photorefractive keratectomy. He has been the Section Chief of Ophthalmology at St. John Hospital & Medical Center since 2005. He is a current Assistant Clinical Professor at Kresge Eye Institute at the Detroit Medical Center.

Megan J. Cowsill, D.O.

obtained her doctor of osteopathic medicine degree from Michigan State University and completed her training in ophthalmology at the Detroit Consortium of Osteopathic Ophthalmologists. She has participated in research for treatment of macular edema.
